

EIP

Five EIP associates ranked as “Rising Stars” in Managing IP

Patent attorneys [Felix Hall](#) and [Robert Barker](#), and solicitors [Alex Morgan](#), [Catherine Howell](#) and [Sebastian Fuchs](#) have been ranked as “[Rising Stars](#)” in the 2022 edition of IP Stars, published by Managing Intellectual Property Magazine.

Rising Stars recognises some of the best up-and-coming intellectual property practitioners in private practice who have contributed to the success of their firms and clients.

Individuals are selected based upon information submitted by firms, together with recommendations received from clients and feedback from the wider IP market.
